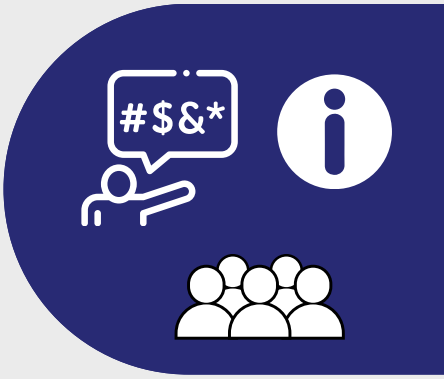
# VOTER SUPPRESSION

## comes in all **shapes and sizes.**

**Voter intimidation is any action that scares them away or has the potential to scare a voter away from voting on the ballot. The intentions are to keep us out and silence our collective power and voices.**

Forward Justice provides resources for you to share any sighting of voter intimidation which can come in the form of:



- **Being yelled at or harassed; being threatened with a weapon**
- **The presence of white supremacist groups or hate symbols at the polls**
- **Having your citizenship questioned because of your ethnicity or name**
- **Poll observers interfering with your ability to vote; or aggressive electioneering.**

**If you experience any of the above do not hesitate to reach out to our nonpartisan voter protection hotline**

**888-OUR-VOTE (8683)**

**If you are a criminal legal system involved or directly impacted voter and have questions or issues, please do not hesitate to our second chance hotline**
